FLINT'S FINE FURNITURE

A very treasure house of little decorative schemes for the country sitting-room—our third floor.

FIRST—The quaint old-fashioned desk and writing chair. The desk, with slim, straight legs, ornamental flap, pigeon holes and top for bric-a-brac; the armchair, with a rush seat and an air of snugness and comfort.

THEN—The "gossiping seat" for two, made with hardwood frame and piled with cushions—delightfully quaint and most inviting for a quiet talk.

You thus at once secure this splendid set of books for continued use and enjoyment. It is the One Great, Practical Reference Library for the Professional and Business Man, the Teacher, the Student, the Farmer, Artisan, and Mechanic.

**MAGNIFICENTLY
ILLUSTRATED
THROUGHOUT**

With over 3,500 engravings, of superb quality and wonderful variety, including numerous engraved portraits of distinguished Poets, Authors, Physicians, Chemists, Philosophers, and Scientists, and with over 300 new maps and charts from the VERY LATEST EXPLORATIONS and SURVEYS, delineating Continents, Empires, Countries, States, Cities, Towns, Citadels, Solar, Lunar, and Planetary Systems, and every portion of the known world, and forming a Complete and Indexed Atlas of the globe. THE STANDARD AMERICAN is the best illustrated and the best mapped Encyclopedia in the English Language.

Our Great Introductory Offer

To secure widespread and favorable publicity for THE NEW STANDARD AMERICAN ENCYCLOPEDIA we have decided to place a few introductory sets in each community throughout the country for comparison with all other reference works as to plan, scope, lateness of treatment, and general practical and educational value. We feel that every set will create a demand for others. While the distribution will be general in extent, it will last for a limited time only, after which our regular subscription sale will begin, at prices ranging from \$48 to \$72 a set, according to style of binding. Now, however, to quickly and thoroughly introduce the work, as above stated, we make the price merely nominal (about the cost of paper and printing), the distribution being limited to a very few weeks, reserving the privilege of withdrawing the offer at any time when we consider a sufficient number of these introductory sets, at the special price, has been distributed.

**HOW TO SECURE
ONE OF THESE
SPLENDID SETS**

Send \$1 to THE ENCYCLOPEDIA PUBLISHING CO., 156 Fifth Avenue, New York City, and a full set of eight volumes of THE NEW STANDARD AMERICAN ENCYCLOPEDIA, in cloth binding, will be forwarded to you AT ONCE. The balance is payable at the rate of \$1.00 monthly for one year, or about 5 cents a day. If you prefer the half-Morocco binding, the monthly payment will be \$2, and for full sheep, \$2.50 per month for one year. We recommend the half-Morocco style, which is particularly elegant and serviceable, and will last a lifetime. If not as represented any set may be returned within ten days and money will be promptly refunded. Owing to the nominal price at which these introductory sets are supplied, the cost of sending must be paid by the purchaser, but our entire confidence that the volumes will be gladly received and cheerfully paid for is shown by sending a \$100 set of books on an advanced payment of only \$1. Please indicate whether you wish the work shipped by freight or express. Freight is cheaper, but takes longer. We also feel that you will thoroughly appreciate this great work and speak favorably of it to others. Send 2-cent stamp for postage on 22-page illustrated pamphlet, with sample pages, colored map and portraits of famous inventors. We refer you to the publishers of this magazine. Address

For Daily Use in Your Home

and especially to aid the young folks in their studies, no single work in the world equals that matchless Reference Library,

The New Standard American Encyclopedia

A SUPERB REFERENCE WORK

treating over 60,000 topics (10,000 more than any other encyclopedia), covering the entire field of human knowledge, thought, and endeavor.

FRESH FROM THE PRESS

The NEW STANDARD AMERICAN ENCYCLOPEDIA is brought down to the present time, and contains hundreds of articles on subjects not treated in any other reference work. Another important feature in which it stands absolutely alone is its very full appendixes, which embrace over 100 subdivisions, including a Biographical Dictionary, a Dictionary of Technical Terms, a Gazetteer of the United States, Statistics of Presidential Elections, State and Territorial Elections, Religious Summaries, Statistics of the Population of the World, and a Veritable Mine of Other Information on thousands of subjects of universal interest and importance.

IT IS NOW THE STANDARD

Every school, college, court and public library, where the work has been thus far introduced, has immediately given it the preference over all others.

HARDWOOD FLOORS

are easy to care for. This is their chief merit, although at the same time they are durable, sanitary, and in all ways economical. Don't say otherwise to those who have had experience with them, lest they laugh at you, haply not audibly, possibly not visibly, but surely internally and pityingly. But perhaps we are not impartial since we make floors and nothing but floors, save the appliances to keep floors in order. We publish a book of designs, a circular on the care of floors, and other literature on this subject. These are sent free for the asking.

WHAT IS
X-ODE
INHALER?

X-ODE is a product of electricity. It forms on asbestos while being electrically treated in a solution. This asbestos is put up in a glass vial. When the cork of the vial is removed and the air comes in contact with the asbestos, it emits from the inhaler a soothing gaseous substance which will penetrate any part of the body. When inhaled through the nose or mouth it penetrates every nook and crevice of the mucous surfaces, kills the germ that causes the disease, and gives the tissues a healthy condition, thus effecting a permanent cure. It is unlike snuff, drugs or medicine. X-Ode penetrates parts that it would be impossible for drugs or medicines to do.

Catarrh, Asthma, Hay Fever, Coughs, Headache, Bronchitis, La Grippe, etc., yield to its influence with marvellous rapidity.

This inhaler lasts from one to three years.

Trial size inhaler, 15c. Large size inhaler, \$1. All druggists, or by mail.
